

MACINTYRE ASSOCIATES
partnering for mission

BOARD DEVELOPMENT

MacIntyre Associates has proven expertise in board development and would welcome the opportunity to partner with you as your consulting firm.

Board Effectiveness

- Characteristics of a strong Board
- Common Board challenges and how to manage them
- Major roles and responsibilities - policy vs. management
- Relationship between Executive Director and Board
- Basics of a Board structure – effective committees
- Review of Bylaws, internal policies, and external compliance

Board Assessment

- Board profile development - skills assessment
- Board membership needs - gaps and opportunities

Effective Board Recruitment

- Development of job descriptions
- Selection and nomination process
- Orientation

Ongoing Board Development

- Continuing education and development
- Recognition and encouragement - public and private appreciation
- Succession planning - rotation, term limits and separation
