

Lou Beccaria, Ph.D.
Strategic Partner

With a distinguished professional career in health and human services, criminal justice and higher education in both Delaware and Pennsylvania spanning over four decades, Dr. Lou Beccaria has shared his wealth of wisdom and experience with the nonprofit sector for past 36 years. He has consulted with foundations and nonprofit organizations on a variety of start-up and management issues, including grantmaking, fundraising, strategic planning and board governance. Lou currently serves as President and CEO of the Phoenixville Community Health Foundation.
