

ORGANIZATIONAL ASSESSMENT

How well are you serving your clients? What are your plans for the future? Do you have the capacity to reach your goals, by sustaining and growing your ability to serve your community? Are you prepared to thrive?

At MacIntyre Associates, we offer an experienced outside perspective to help you assess your organizational capacity. We believe that by reviewing key elements of your plans and your resources, and by assessing your impact, we can help you determine where to strengthen your capacity to more effectively benefit to your clients and your community.

Our Process

Together with your board and staff, we review and analyze:

- Your mission statement and Strategic Plan
- Your services for their effectiveness to meet your mission
- Your Board and staff capacity
- Your fundraising strategies and results
- Your budget and financial systems
- Your communications and stewardship programs
- Your information systems

Our Result

Your organizational assessment will give you a detailed plan for your Board and staff with specific action items, timelines, assigned responsibilities, and processes for moving forward to achieve your goals. Call Us....
